

Meet LTME

The first OS and desktop PC designed for the offline and off-grid world

PRELOADED WITH 100+ OFFLINE APPS

LTME OS comes preinstalled with over 100+ apps in education, productivity and entertainment all available without any internet needed

SIMPLE AS A SMARTPHONE

LTME is designed to feel intuitive even for those with little or no computer experience.

AFFORDABLE AND ENERGY EFFICIENT PC

LTME has been built specifically for low cost hardware. It consumes less than 5 Watts compared to +100 Watts for a traditional tower desktop computer

LEARN

Students can use tons of preinstalled education materials, apps and textbooks to learn in a new, interactive way without needing the internet.

WORK

A powerful tool for school and work. The LTME office suite is compatible with Microsoft Office so you can edit documents, presentations and spreadsheets with ease

PLAY

A personal entertainment centre with hours of music, videos and 60-70 games. LTME offers something fun for everyone.
